HBNU Fogarty Global Health Training Program

2026-2027 Fellowship Year

The Fogarty Global Health Training Program provides one-year mentored research fellowship opportunities in low and middle-income countries (LMICs) for pre- and post-doctoral candidates from the U.S. and LMICs. This program is sponsored by the Fogarty International Center (FIC) and several collaborating Institutes and Centers at the National Institutes of Health (NIH).

The program supports research in areas of interest, including: HIV/AIDS, non-communicable diseases, mental health, maternal and child health and nutrition, and more.

The application deadline for the 2026-2027 fellowship year is October 1, 2025.

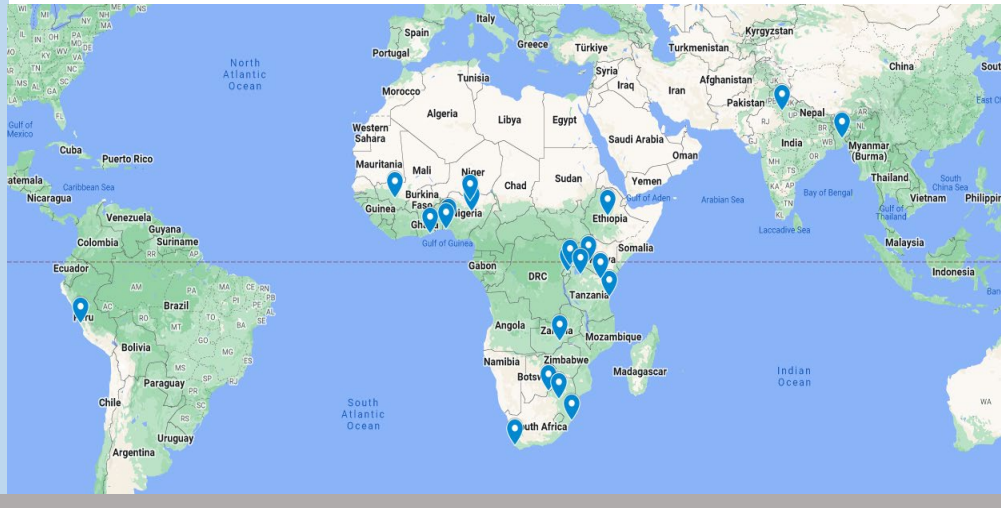

Apply online at https://hsph.harvard.edu/research/nutrition-and-global-health/hbnu-fogarty-global-health-training-program/hbnu-eligibility-application-process/

Key Information

- Fellowship opportunities are available at 21 sites in 14 countries in Africa, Asia, and South America.
- The fellowship includes research funding and a stipend, depending on the type of award.
- Appointments begin July 1, 2026.
- The fellowship starts with a week-long orientation in Bethesda, Maryland.

Eligible Applicants

- **U.S. Pre-Doctoral candidates** currently enrolled in doctoral programs in medicine, biomedical sciences, public health, engineering, nutrition, pharmacy, dentistry, veterinary medicine, nursing, etc.
- **U.S. or LMIC Post-Doctoral candidates** with an advanced doctoral degree in medicine, biomedical sciences, public health, nutrition, pharmacy, dentistry, nursing, etc.
  - LMIC fellows will have the opportunity to spend up to 3-months at their HBNU-affiliated US institution as part of their fellowship.
  - *Note*: LMIC candidates must be citizens of one of HBNU's collaborating LMICs.
  - **U.S. Post-Doctoral candidates** completing residency or a clinical fellowship program are also eligible to apply.
